THIS BROAD'SWAY

THIS BROAD'SWAY is my high energy and vocally exceptional celebration of Broadway. It's the songs, the roles, and the stories I've collected during my career as a Broadway Actress. I'll sing your absolute favorites from shows I've starred in, such as CATS, EVITA and LES MISERABLES; as well as some new songs to discover and love. You'll laugh, you'll cry; you'll feel like you were there, or remember you were! It's my tribute to the career I love with all the passion it inspires. It's a blast! I'm putting the **BROAD** back in **Broadway** and I'm not ashamed to admit it!
