Band Use: No band – also Track only if needed.

Cabins: 1

Shows: 2 x 45 minutes and 1 x 20 minutes

Lecture/Presentation: Please Note: I can do 2 different 45 minute Hypnosis Shows or 1 x 45 minute Mentalism Show plus a 20 minute Mentalism show --- or do any mix of shows. I can also lecture on hypnosis, meditation, and mind-power/focus.

Special notes: For hypnosis, just chairs and a wireless handheld mic are needed. If doing the mentalism show, then I also need 2 small tables. That's it! No need for rehearsal and I don't use music in any of my shows. I much prefer to do the hypnosis show over mentalism. I'm a Canadian citizen and have a P1 Visa so can legally work/transfer through the U.S.
